About your fundraising

How much do you hope to raise? (minimum pledge £2000)

Have you ever done any fundraising before?

If yes, what did you do and how much did you raise?

Your fundraising plan

Please give us details of how you plan to go about your fundraising. We will be on hand from registration to beyond the finish to offer ideas and advice but please outline your own ideas and plans below. Please include as much information as possible as these details will affect whether or not your application is successful. Please use a separate sheet if necessary.

Top Tips

- Try to break your target down into achievable blocks and think about how you will raise each amount
- Think about work/social contacts you have and any social activities you take part in e.g. are you a member of a club or sports team?
- Could you organise any events or activities in your local area or at work to boost your fundraising potential?
- You should use the sponsorship forms provided by Get A-Head and/or Just Giving.com. This helps us to keep a record of how much you raise and collect as much Gift Aid as possible.

We are happy to produce Press Releases for your local paper
